

600 MULTIFUNCTION CHRISTMAS LIGHTS

Product Description

600 multifunction indoor & outdoor Christmas lights on a 60 metre long green PVC cable. Come with a low voltage transformer and 10 metre long lead wire. Switch through the 8 available functions with a button on the transformer and the memory chip will even remember your settings each time you switch it on. Not just for Christmas, these multifunction lights are perfect to use all year round occasions and look fantastic strung across the windows, doorways or porch.

Available functions: Combination, In Waves, Sequential, Slo-Glo, Chasing/Flash, Slow Fade, Twinkle/Flash and Steady On.
